Requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;

Ensuring that all equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;

Providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;

Providing current information on code of practice for the care and handling of equines and other equine health and welfare initiatives;

Continuing to support scientific studies on equine health and welfare;

Requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions;

Actively promoting the development of, and adherence to competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive, nor inhumane.

Dressage Winnipeg will accept up to two scores for levels up to and including Third Level and one score at Fourth level and above from any non-DW Equestrian Canada sanctioned Bronze, Silver or Gold competition awarded by an Equestrian Canada certified judge, or from a USDF-sanctioned show. Those applying must be regular members of Dressage Winnipeg and have compiled scores from a minimum of two DW shows. This means that if you compete at an EC sanctioned competition with an EC certified judge in Brandon, out of province, at a rated Pony Club or other competition you can use the scores towards DW Awards of Excellence. These scores are NOT used towards tabulating the High Point Dressage Winnipeg Awards. **Please Note: A rider may not earn two medals of a different color at one level in the same year. Only one medal will be awarded per level per horse/rider combination per year.**

DW YEAR END HIGH POINT AWARDS: One award for each level will be presented to the horse/rider combination that has ridden in at least two DW competitions and obtained the most points within the current competition season. These awards

will be calculated over the whole competition season and not by individual competitions. Bronze and Gold competitors JR AA and Open will all be combined when calculating these awards. All scores, excluding Freestyle scores, of 55% and over in tests ridden at DW competitions throughout the current competition season will count in determining points awarded. If you did not ride in at least two DW competitions or have a minimum score of 55% in the test your scores will NOT contribute to the placings and awarding of points. Horse/rider combinations will be placed according to the percentage scored within each level and each test with the highest percentage being 1st place, next highest being second place, next highest being third place and next highest being fourth place. In the event of a tie, both riders will receive equal points for that test. No points will be awarded below fourth place. Once the order has been determined, the following formula will be applied.

PLACING	POINTS	TEST WITHIN THE LEVEL
1st earns	5 x	1 if test 1
2nd earns	4 x	2 if test 2
3rd earns	3 x	3 if test 3
4th earns	2 x	4 if test 4

Example: The highest mark of the competition season in all of First Level Test 2 would earn: 5 points for 1st place (x 2 for Test 2) = 10 points. The second highest mark for First Level Test 2 would earn: 4 points for 2nd place (x 2 for Test 2) = 8 points.)
