VACCINATION CERTIFICATION: All entry forms must be signed and dated by the Person responsible. Electronic signatures will be accepted in 2023.

DEFINITION OF PERSON RESPONSIBLE: The Person(s) responsible (PR) for a horse must be an adult who has, or shares responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC Rules. The PR is liable under the penalty provisions of the applicable EC Rules for any rule violations. Every entry form for an EC sanctioned competition must identify the PR and be signed by the PR. The Person(s) responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed by himself/herself or by any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised. A: For adult entries into EC sanctioned competitions the PR shall be either the trainer, the owner of the horse or the competitor who rides or drives the horse during the EC sanctioned competition. B: For Junior entries into EC sanctioned competitions the Junior competitor cannot be the PR. For Junior entries the PR may be either the trainer, the owner of the horse, or a parent/guardian of the Junior competitor.

CROSS-ENTERING: More than one athlete may ride the same horse/pony at a competition providing the horse/pony is not entered by two athletes in the same class. The athletes can both be juniors or amateur/open or any mixture of these providing they are not in the same class unless the class is divided into separate categories for the purpose of ribbons. The horse/pony must not compete against itself. An athlete may enter classes run under different licenses at one competition providing the rider has the requisite sport license/Horse Recording or EC National Passport. e.g., A rider may compete in gold/bronze, silver/gold etc. classes at one competition.

MAXIMUM NUMBER OF LEVELS/TESTS/CLASSES PER HORSE PER DAY: A horse/rider combination may compete in any two, but only two consecutive levels and a maximum of four tests per day including the freestyle for Introductory, Training and First levels, and three tests per day including the freestyle for Second; Third and Fourth levels and all FEI tests. No horse may compete in more than four tests or rides combined per day, including the freestyle. A horse may compete a maximum of four tests per day including the freestyle. When more than one athlete competes on the same horse, the horse may not compete against itself and may not compete in more than four tests or rides per day including the freestyle if the tests or rides are First level or below and three tests or rides per day at Second level or above. Equitation, Materiale and non-EC classes are included in the maximum of four classes per day at First level or below and three classes at Second level or above. In-hand classes are exempt from this rule. Note: When riding FEI tests in EC competitions, FEI Intermediate I and FEI Intermediate II tests are not consecutive levels. FEI Intermediate I is part of the small tour and Intermediate II is part of the Grand Prix division.

HORS CONCOURS ENTRIES: Hors concours entries may be accepted at the discretion of the competition. These entries must pay the same entry fee and are subject to the same conditions that apply to regular entries. A hors concours entry in a freestyle must have qualified to ride the freestyle. Hors concours entries are not

eligible for any placings, prizes, or awards. A horse may compete as a hors concours and competitive entry at the same competition. Hors concours entries are not permitted in the Provincial Championship competition.

LIMIT OF ENTRIES, TIME CHANGES AND CLASS CANCELLATION: The Show Manager for Dressage Winnipeg reserves the right to limit entries, limit tack stalls, combine or cancel classes, alter ring sizes, change designated rings, decide on any point not covered by the rules, and correct any errors or make any necessary changes to the prize list or program during the course of the competition year. Competitors will be notified at the earliest possible time of any changes. The onus will be upon the competitor to familiarize themselves with such changes. In the event of inclement weather, the Show Manager will do their best to reschedule classes. Should that not be possible no refunds will be given for canceled classes.

FAMILIARIZATION: Horses may be entered in the bronze competition for familiarization only at a cost of entry fees: (Administration fee, bronze drug testing fee, Dressage Canada levy, MHC levy, NCCP levy, stabling, and DW daily use fee.) No classes need be entered. Familiarization entries are subject to the same conditions as regular entries. Consideration to competitors must be given i.e., if your horse is causing a disruption, please remove it from the competition area. Numbers must be worn at all times when a horse/pony is outside its stall.

FREESTYLE TESTS: Freestyle eligibility for athletes in gold competitions (all EC levels and FEI freestyle levels): A horse/rider combination must have obtained the following prior to competing in a freestyle: a minimum score of 60% in a dressage test at the same technical level, or higher, as the freestyle they wish to enter (e.g., 60% in First or Second Level to compete in the First and/or Second Level Freestyle). The dressage score may have been obtained at an EC Gold/Silver dressage competition prior to the competition, or may be obtained at the same competition in which they wish to enter the freestyle. Proof of the qualifying score is needed (please attach to your entry form) Note: Bronze competitions require no minimum technical score. Furthermore, an athlete in a bronze competition may enter a freestyle without having ridden the technical test at the level of freestyle entered (e.g., competes in first level technical and second level freestyle). Technical scores earned at silver competitions count toward being allowed to enter a freestyle in a gold competition and vice versa. A horse/rider combination may compete in a maximum of two consecutive EC freestyle levels per day. These must correspond to the technical levels at which the horse/rider combination are competing on the same day; e.g.: Second Level technical plus First and Second Level freestyles. At the time of publication there is no FEI Children's freestyle. Child athletes may compete in the First Level Freestyle.

PAS DE DEUX: Any freestyle entries in the Bronze Competitions at any level may request to ride their freestyle test as a Pas de Deux. (This will be judged separately from the individual freestyle entries). We would love to see some riders creating Pas de Deux rides - just contact the Show Manager and we will create a separate Pas de Deux freestyle class in any Bronze show you wish to enter. Guidelines can be found on www.usdf.org

MUSIC: This is the responsibility of the competitor. Please assign a person responsible for your music to the show office prior to your freestyle. A sound check may be requested on Friday during warm ups.

Judging will be based on the Rising Star scoresheet and Article E.1.20. Riders must comply with Article E.4.1 and Article E.4.2 or be subject to elimination. The number of horses required to work at the same time shall be dependent on the size of arena available and at the discretion of the judge. Judges may limit the number of horses required to canter at the same time. The Judge and Steward have the sole discretion to make any decision they deem necessary to enhance the safety of the class for participants, including asking a horse and rider to leave. The Judge may ask riders to perform individual movements. No qualifying class will be required to enter Equitation, but riders and horses must meet the requirements to enter an EC Bronze Misc. class. Results will not be eligible for EC ratings or awards. GOLDEN SPURS AWARD: To be presented to the Dressage Winnipeg Adult Amateur rider, aged 50 or older, with the highest average score over the competition season. All scores will contribute to the calculation.

AWARDS OF EXCELLENCE: SCORES CAN ONLY BE EARNED OVER THE CURRENT COMPETITION SEASON. A Dressage Winnipeg rider must have competed in at least two DW Bronze or Gold competitions in the current competition season, in one level /division and must be the same horse/rider combination to qualify. It is the riders' responsibility to submit proof of tests ridden when submitting the completed Awards of Excellence application form. DW is not responsible for tallying competitors' scores to determine winners of these awards. All applications must have all required scores before the form is submitted. Dressage Winnipeg will accept up to two scores for levels up to and including Third Level and one score at Fourth level and above from any non-DW Equestrian Canada sanctioned bronze, silver or gold competition awarded by an Equestrian Canada certified judge, or from a USDF-sanctioned show. Those applying must be regular members of Dressage Winnipeg and have compiled scores from a minimum of two DW shows. This means that if you compete at an EC sanctioned competition with an EC certified judge in Brandon, out of province, at a rated Pony Club or other competition you can use the scores towards DW Awards of Excellence. These scores are NOT used towards tabulating the High Point Dressage Winnipeg Awards. **Please Note: A rider may not earn two medals of a different color at one level in the same year. Only one medal will be awarded per level per horse/rider combination per year.**

DW YEAR END HIGH POINT AWARDS: One award for each level will be presented to the horse/rider combination that has ridden in at least two DW competitions and obtained the most points within the current competition season. These awards will be calculated over the whole competition season and not by individual competitions. Bronze and Gold competitors JR AA and Open will all be combined when calculating these awards. All scores, excluding Freestyle scores, of 55% and over in tests ridden at DW competitions throughout the current competition season will count in determining points awarded. If you did not ride in at least two DW competitions or have a minimum score of 55% in the test your scores will NOT contribute to the placings and awarding of points. Horse/rider combinations will be placed according to the percentage scored within each level and each test with the highest percentage being 1st place, next highest being second place, next highest being third place and next highest being fourth place. In the event of a tie, both riders will receive equal points for that test. No points will be awarded below fourth place. Once the order has been determined, the following formula will be applied.

PLACING	POINTS	TEST WITHIN THE LEVEL
1st earns	5	X 1 if test 1
2nd earns	4	X 2 if test 2
3rd earns	3	X 3 if test 3
4th earns	2	X 4 if test 4

Example: The highest mark of the competition season in all of First Level Test 2 would earn: 5 points for 1st place (x 2 for Test 2) = 10 points. The second highest mark for First Level Test 2 would earn: 4 points for 2nd place (x 2 for Test 2) = 8 points.)

(Section A, General Regulations-Glossary: Person Responsible) The Person(s) responsible (PR) for a horse must be an adult who has, or shares responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC Rules. The PR is liable under the penalty provisions of the applicable EC Rules for any rule violations. Every entry form for an EC sanctioned competition must identify the PR and be signed by the PR. The Person(s) responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed by himself/herself or by any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised. A: For adult entries into EC sanctioned competitions the PR shall be either the trainer, the owner of the horse or the competitor who rides or drives the horse during the EC sanctioned competition. B: For Junior entries into EC sanctioned competitions the Junior competitor cannot be the PR. For Junior entries the PR may be either the trainer, the owner of the horse, or a parent/guardian of the Junior competitor.
